Arrival and Departure Times:

Arrival time 11:30 AM Departure time 1:15 P.M.

Later departure times with additional classes available.

Reservations and Confirmations: The reservations must be confirmed by mailing in the completed contract with a deposit. To confirm tentative reservations contracts must be received by December 10th for the Spring schedule and by February 10th for the Fall schedule. (If dates are too early to send a deposit, please contact Betsy Z. McCown).

Payment: We suggest that the payment of tuition fees be divided among the school, parents and students. Many schools have held successful money raising activities. These efforts included cake, candy and cookie sales, flower sales, food vending at school ball games, car washing and school janitorial work. The more a student participates in raising the funds, the more he/she will appreciate the experience. For more information and availability of scholarship funds, please feel free to contact us.

Medical Insurance: The participating student's primary health insurance will assume expenses for illness or injury that occur during the program. The Outdoor School agrees to pay for any expenses that are not covered by the primary insurance (co-pays, co-insurance, deductibles, etc.) up to a maximum of \$25,000 for injuries.
